SUMMARY

Software Engineer with hands-on experience in full-stack web development, REST API development, machine learning, and AI-powered applications. Proficient in Python, JavaScript, React.js, Node.js, FastAPI, Flask, MySQL, and MongoDB. Experienced in developing and deploying web applications, building and integrating machine learning models, designing backend APIs, and implementing data-driven solutions. Strong foundation in Data Structures and Algorithms, Object-Oriented Programming, DBMS, and software development principles.

SKILLS

Programming Languages: Python, JavaScript, Java, C, SQL

Frontend: React.js, HTML, CSS

Backend: Node.js, Express.js, Flask, FastAPI

AI/ML: Scikit-learn, Pandas, NumPy, Generative AI

Databases: MySQL, MariaDB, MongoDB

Tools: Git, GitHub, VS Code, Postman, Bench CLI

Core Concepts: Data Structures & Algorithms, Object-Oriented Programming, DBMS, Operating Systems, Computer Networks, REST APIs

EXPERIENCE

Full Stack Developer — Zetacoding Innovative Solutions

Jul 2026 – Present

- Developed and deployed full-stack web applications using React.js, Node.js, Python, and Flask, implementing responsive interfaces and backend functionality.
- Developed and integrated machine learning solutions and REST APIs into web applications to support data-driven features and application workflows.

Machine Learning & Generative AI Intern — Contriver

Feb 2026 – May 2026

- Built 3 machine learning models using Python and Scikit-learn for predictive analytics and integrated them into REST API-based applications.
- Performed data preprocessing and feature engineering on datasets containing **10,000+ records** for model training and evaluation.

Web Development Intern — TSIAR Sports Team and Club

Jun 2025 – Dec 2025

- Developed automation tools for event-management workflows, reducing manual processing by 30%.
- Supported backend development, database management, and maintenance of 2 web applications.

PROJECTS

1. Pure Care Auto Accessories | Client Website

Tech Stack: React.js, Node.js, Express.js, MySQL, REST APIs

- Developed and deployed a production website for a UAE-based automotive care business, implementing responsive pages for services, products, blogs, gallery, and customer enquiries.
- Implemented responsive UI, customer enquiry workflows, and production deployment.

2. KE Enterprises | Client Website

Tech Stack: React.js, Node.js, Express.js

- Developed and deployed a responsive business website for KE Enterprises, presenting company information, products, and services.
- Implemented frontend components, responsive layouts, and production deployment.

3. GoatIndia.in | Full Stack E-Commerce Platform

Tech Stack: React.js, Node.js, Express.js, PHP, REST APIs

- Developed and deployed a full-stack e-commerce platform with user authentication, product management, and order-processing functionality.
- Built REST APIs and integrated frontend and backend services for product and order management.

4. Conversion Rate Optimization | Machine Learning Project

Tech Stack: Python, Pandas, NumPy, Scikit-learn

- Developed a machine learning model to analyze customer behavior and identify factors influencing conversion performance.
- Performed data preprocessing, feature engineering, and predictive analytics to support conversion-rate optimization.

5. Lung Nodule Detection | AI/ML Project

Tech Stack: Python, Machine Learning, Image Processing

- Developed an AI-powered application for detecting lung nodules from medical images using machine learning and image-processing techniques.
- Implemented image preprocessing and prediction workflows to assist in identifying potential lung nodules from input scans.

CERTIFICATIONS

- **Legacy JavaScript Algorithms and Data Structures V7** — freeCodeCamp
- **Python 101 for Data Science** — Cognitive Class

EDUCATION

Bachelor of Engineering (B.E.) — Computer Science and Engineering

S.K.S.V.M.A. College of Engineering and Technology | 2022 – 2026

CGPA: 8.71/10

DECLARATION

I hereby declare that the information provided above is true and correct to the best of my knowledge and belief.
